

Rhyming Hope and History: Theology and Culture in the Work of Robert Jenson (Paperback)

Filesize: 6.83 MB

Reviews

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.

Wipf Stock Publishers, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: The subject of culture has provided theologians with a whole new realm of exploration. By the turn of the twentieth century and the beginning of this new millennium the subject of culture had presented itself to theologians and church leaders for vital consideration. As one of the world's leading theologians, Robert Jenson's eminent career has coincided with the pre-eminence of culture in theological and churchly discussion. Having described himself as a theologian of culture in his earliest works, culture continually informs Jenson's systematic theology, which in turn works its way out in countless cultural forms. In *Rhyming Hope and History* we explore the philosophical and theological influences of Jenson's work and outline their vast and varied applications to the world of culture and the life of the church. For Jenson, the church is the cultural embodiment of the risen Christ in the fallen reality of our world. In a series of conversations between Jenson and leading thinkers, including G.W.F. Hegel, Jonathan Edwards, Wittgenstein, Richard H. Niebuhr, Kathryn Tanner, Paul Tillich, Nicholas Wolterstorff, Augustine, and Jeremy Begbie, we explore this creative and courageous proposal. Endorsements: Robert Jenson is one of the most creative and interesting theologians to emerge in America in recent generations. In this fine study, Russell Rook offers important insights into his theology, and in particular, highlights the constant dialogue with American--and broader Western--culture that has been such a significant part of Jenson's project. Rook writes with verve and with an easy mastery of the subject; this is a very good book on an important figure. --Stephen R. Holmes Senior Lecturer in Theology The University of St. Andrews Robert...
