Brand New Book ***** Print on Demand *****.Blast your way through writer s block. and become more creative as a side effect! Have you ever wondered how some writers can just sit down and start writing effortlessly while you struggle with every word and line? Does their advice of, Just sit down and write, just aggravate the heck out of you because it seems meaningless? Are you tired of being told that you re just procrastinating, being lazy, lack willpower, or that it s just, all in your head? Well, it is, it s just not what you think. In this book: - Learn why writer s block isn t just a case of procrastination or lack of willpower, but the frequency your brain is currently functioning at. - Develop the ability to focus and concentrate as well as an ancient monk without needing to live at a monastery. - Learn how a simple technique, using an audio recorder, can help you break out of the corner you ve accidentally written yourself into with your story. - Discover one of the easiest ways to create an outline for nonfiction reports and books. - Learn how to tap into your bottomless well of creativity effortlessly. - How to organize your research materials, allowing you to see hidden connections between seemingly unrelated information. - Find out why the adage of, write every day, actually works and how to actually increase the effectiveness of this habit. This information isn t new. It s actually been around for a long time. It s just not something the average writer would research. This information comes from the field of accelerative learning where its methods help unlock your creativity...
