*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.One of my favorite things is to see the delight and surprise on a child's face when they hear a really good story. And, some of the best stories have been around for generations. Many of these stories come from the ancient texts in Buddhism, Christianity, Islam, Judaism, Hinduism and Native American traditions. Parents have shared these stories with their children for generations and they reveal The Golden Thread of Truth. We are more alike than different. Love thy neighbor. You reap what you sow. We are stewards of the earth and each other. Treat others as you would like to be treated. There is a larger power at play in the Universe. Parents around the world, no matter what religious belief, culture or lifestyle their household embraces, teach these values to their children through the timeless tales. This book is a collection of some favorite stories and is designed to be shared with your children and grandchildren. The stories contained within are all from material that is centuries old but share the wonderful message about life. Use these stories with your children to enhance their knowledge and respect for others.
