Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Transitioning Military Project Manager is designed to help retiring and transitioning military personnel evaluate and understand their potential for transforming themselves into a marketable commodity within the public and private sectors as Project Managers. The book provides guidance for transitioning military personnel on the path toward commercial project management. Veterans gain insight of their personal military experience, understand the value of their learned knowledge and confidently approach their transition into the civilian marketplace as a project manager through application of their inherent skills. Common sense assistance is presented for transitioning military personnel, as an authoritative guide. Transitional knowledge is codified through the use of authoritative sources like PMI, DAU and other veterans who have successfully transitioned into project management in the career field. This book provides a method for personal change and surviving the transition from the service into the civilian sectors. In addition to authoritative project management information, The Transitioning Military Project Managers also contains success stories, self-evaluation, personal assessments, and Personal Strategic Roadmap development; also providing guidance for the newcomer to the civil service environment...
