Summary: Teaching little ones about prayer is one of the most important responsibilities and privileges of parents and grandparents. Author Allia Zobel Nolan, creator of The Ten Commandments for Little Ones , shares a child-friendly journey through the Lords Prayer to help parents create a legacy of talking to God anytime, anywhere, about anything. Give us this day our daily bread Father, You always give us what we need. So we pray for enough food for today. You know how to take care of your children. So we never have to worry. Clever, fun art engages children ages 3-8 while the Dig Deeper sections and definitions help parents nurture faith conversations with their children and a sense of how much God loves them. This tender invitation to a life of prayer is ideal for parents and grandparents to have in their homes and to give to the children they adore.
