OCLC Number: (OCoLC)49757514 Subject: Endangered species -- Klamath River Watershed (Or. and Calif.). Excerpt: . . . nterpretations of the Act. It is clear to me that ESA has been misused for years by some advocacy groups to threaten the rights of private property owners. Further, the impacts from environmental lawsuits on businesses and families throughout California and across the nation have been financially and emotionally devastating. We have sacrificed enough. I simply cannot stand by quietly as farmers, ranchers, families and businesses, especially those in the West who depend on natural resources for a living, suffer for no constructive purpose. It is time to take back our economic and constitutional rights. After all, the human species deserves the most important place in the ESA equation. I look forward to hearing from the panels of witnesses today, and to explore ways to improve the water management and endangered species issues in the Klamath Basin and across the Nation. Again, I want to thank everyone for being here this morning, and I also want to point something out. Its taken a tremendous amount of work putting...
