## Fly The Airplane

By Meredith Tcherniavsky Holladay

Holladay Aviation. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. On July 1, 2012, flight instructors Meredith and Dana Holladay left the Washington, D. C. suburbs behind to see America from the cockpit of their 1938 Piper J-3 Cub. Packing little more than a few changes of clothes and a camera, the couple set out to celebrate their marriage and to encourage others to never give up when faced with life's most difficult challenges. By the time they completed their trip on August 24, 2012, they had traveled more than 8,000 miles, landed in all 48 contiguous United States, and learned some news that would forever change their lives. The Holladays are a testament to the power of the human spirit to overcome adversity and thrive against all odds. As pilots, they know that the successful outcome of any flight depends almost entirely on their ability to maintain control of the airplane, to keep flying it, no matter what happens. Fly The Airplane is more than just the title of the couple's first book; it is a survival philosophy for all who endure pain and suffering, and a strategy for all who seek to live...

### Reviews

*Excellent electronic book and valuable one. We have read and so I am sure that I am going to likely to study again once more in the foreseeable future. I am just happy to inform you that here is the very best book I have read during my personal lifestyle and might be the greatest book for possibly.*

*A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. It's been designed in an extremely basic way and is particularly just soon after I finished reading this ebook where in fact altered me, change the way I really believe.*
