

Better Lesson Plans, Better Lessons: Practical Strategies for Planning from Standards (Hardback)

By Ben Curran

Taylor Francis Ltd, United Kingdom, 2015. Hardback. Book Condition: New. 246 x 174 mm. Language: English . Brand New Book. In today s high-stakes world, ready-made lessons and teacher s guides are no longer enough to guarantee achievement. The best way to help students succeed is through deliberate and careful lesson planning focused on the end result of increasing student achievement. Whether you are a new teacher or an experienced educator, this book will help you get started by providing a practical, step-by-step guide to designing lessons that will lead to student mastery of any objective. You ll learn the essential components of lessons that are Common Core-aligned and grounded in best practices. Topics include: * Tailoring your lessons to meet your state standards while ensuring high student achievement. * Writing a strong objective to stay focused on the goal of a lesson. * Creating an end-of-lesson assessment to gauge the lesson s success. * Constructing a lesson plan that combines direct instruction, guided practice, and independent practice. Along the way, you ll find plenty of helpful examples from math and English Language Arts. You ll also find end-of-chapter FAQs and activities to try, to help you make these concepts...
