Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

VELVET ELVIS: REPAINTING THE CHRISTIAN FAITH

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Velvet Elvis: Repainting the Christian Faith, Rob Bell, Perhaps more relevant than ever before, Rob Bell's Velvet Elvis is his original and bestselling classic. In Velvet Elvis, Bell invites readers to wrestle with their faith, and offers a radical new perspective on Jesus, the church, and Christianity today. We know there's something more. We sense it, we feel it, and we want it. But how do we find it - a spirituality that stands up to the questions of an honest, searching mind? 'This book is for those who need a fresh take on Jesus and what it means for us to live the kind of life he teaches us to live,' writes Rob Bell. This new edition of Velvet Elvis, along with the relaunch of Rob Bell's three other classic works, offers what Rob does best: original and refreshingly personal perspectives on what Christianity is really about. 'We have to test everything,' writes Bell. 'Do that to this book. Don't swallow it uncritically. Think about it. Wrestle with it. Just because I'm a Christian and I'm trying to articulate a Christian worldview doesn't mean I've got it nailed. I'm contributing to the discussion. God has spoken, and the rest is commentary, right?'
