History Press (SC), United States, 2010. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. Maine is well known as a land of fresh air and clean water, as the home of L.L. Bean and as one of the most popular camping and outdoor recreation destinations in the country. But what lies behind this idyllic facade? Unmapped roads. Whispering rocks. Deadening fog. Ghost pirates. Lonely islands. THINGS in the woods. This is the great state of Maine, home of Stephen King, land of the Great Northern Woods and all the mystery that lies within their dark footprint. What better setting than this for tales of strange creatures, murderers, madmen and eccentric hermits? From the Headless Halloween of 1940 to the mystery of who lies in the grave of V.P. Coolidge; from Bigfoot sightings to the witch s grave in a Portland cemetery, writer and illustrator Michelle Souliere brings to life these strange-but-true tales from the Pine Tree State.
