Riptide Publishing, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: All's fair in love and war. There's something rotten in the state of Indiana. When con man Henry Page takes it upon himself to investigate the death of an elderly patient at a care facility, he does so in true Shakespearean tradition: dressed as a girl. FBI Agent Ryan "Mac" McGuinness has more to worry about than Henry's latest crazy idea. Someone is trying to send him a message--via a corpse with a couple of bullets in it. He needs to figure out who's trying to set him up before he gets arrested, and he really doesn't have time for Henry's shenanigans. Then again, he'd probably be able to focus better if Henry didn't look so damn distracting in a babydoll dress and a wig. But when Mac discovers that Henry has been keeping a secret that connects the cases, he has to find a way to live on the right side of the law when he just might be in love with the wrong sort of man.
