Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, A Brief History of the Battle of Agincourt, Christopher Hibbert, There can be few military victories so complete, or achieved against such heavy odds, as that won by Henry V on 25 October 1415 against Charles VI's army at Agincourt. In the words of one contemporary French chronicler, it was the 'most disgraceful event that had ever happened to the Kingdom of France'. Christopher Hibbert's wonderfully concise account draws on the unusual number of contemporary sources available to historians to describe in lucid detail not only what happened, but how it happened. His classic account of the crushing defeat of the French at Agincourt combines historical rigour with a vigorous and very readable narrative style.
