More Than Ever, Politics Influences Our Lives When Barack Obama makes history and takes office on January 20, 2009, he will join forces with a strong Democrat congressional majority. During his 2008 campaign, Obama took a turn toward the political center to attract the coveted undecided voters. But in his victory speech, when there was no longer a need to sway moderate voters, it became apparent that he intended to implement the radical economic agenda he espoused during the Democrat primary. The hard working medium to high income earners, sophisticated investors, savers, and those with retirement funds in the market are now paying the price, and their children and grandchildren will continue paying well into the future. After all, someone must pay back the hundreds of billions in added national debt being created through the housing market bailout and its progeny, the propping up of the failing American automobile industry, the advent of socialized medicine, benefits to illegal aliens, crippling taxes, and the rest of Obamas liberal programs and policies. What Can You Do How can you protect yourself, your family, and your descendants from the devastating effects of this economic nightmare Although not a cure-all, the creation and implementation of a personalized estate plan with asset protection features is an excellent first step to personal and family economic stability in these otherwise erratic financial times. Individuals who wish to protect their savings, their income and their families from the devastation of the current financial situation are quickly scheduling counseling sessions with their advanced estate planning attorneys, who design personalized Politics Proof estate plans. Those who fail to plan now will unfortunately pay later. Possible estate and asset protections are practically endless. With knowledge comes...
