By CGP Books

Coordination Group Publications Ltd (CGP), United Kingdom, 2014. Paperback. Book Condition: New. 295 x 210 mm. Language: English . Brand New Book. This all-in-one Study Question book is a brilliant way for Year Two pupils (ages 6-7) to get to grips with Key Stage One Maths. For every topic, there is a page of clear, colourful notes that summarises all the important skills. This is followed by a page of practice questions to test children on what they've just learned. The book also contains two objective tests - one to assess children's skills at the start of Year Two, and one to measure their progress at the end of the year. All the answers are included in a cut-out-and-keep section in the middle of the book, and there is an explanation of all the key maths terms at the back.
