Little Rock Publishing, Australia, 2010. Paperback. Book Condition: New. 208 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Ravi Balakrishnan is an ordinary boy with an extraordinary story. He believes it is his destiny to deliver a message, an important message, one that will help the reader their whole life .When Ravi s unhappy new life in Sydney, Australia is intensified by a violent and racist bully, he finds a saviour in his comical Uncle Sanjay and together, as they overcome each of life s obstacles, the two fulfill a prophecy that they are soulmates. But when fate steps in and poses a question that modern medicine has no answer for, the pair defy all and flee to India, to find the elusive and mysterious Agbar the Snakeman who saved the life of the boy s father from a potentially fatal snakebite, many years earlier. What results is a supernatural journey beyond all earthly comprehension. A stupendous story, as magical as anything Harry Potter could conjure, and a message, once delivered, that will stay with you forever. Prepare yourself to be inspired like never before .
