Smart Formula: How Students Become Smart Emc2

By Jr. George Woodrow

Dog Ear Publishing. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Do you want students to really try, work harder, perform well on standardize tests, improve their grades and behavior MAKE SURE THEY READ THIS BOOK! This book, Smart Formula: How Students Become Smart Emc was especially written for intermediatesecondary students. It is designed to transform the thinking of students and parents about the human capacity to learn. Simply stated, when students begin to think differently about what it takes to be smart they will change their behavior for the better. This book gives students a formula for how to get smart, and it works. Educators and parents have been searching in all the wrong places for what really improves students academic achievement. The single area that perhaps impacts student learning the most has been the least researched and discussed; it is what students, parents, and educators think about the ability of students to learn rigorous scholarly content. Too many in all three groups believe in an outdated and disproven belief that intelligence is xed at birth. With modern science and technology, we now know the brain has the capacity to grow and strengthen itself. It does...
