MY MAD FAT DIARY: A MEMOIR (PAPERBACK)

St. Martin's Griffin, United States, 2016. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. It's 1989 and Rae Earl is a fat, boy-mad seventeen-year-old girl, living in Stamford, Lincolnshire, with her mum and their deaf white cat in a council house with a mint-green bathroom and a refrigerator Rae can't keep away from. She's also just been released from a psychiatric ward. My Mad Fat Diary is the hilarious, harrowing, and touching real-life diary Rae kept during that fateful year and the basis of the hit British television series of the same name now coming to Hulu. Surrounded by people like her constantly dieting mum, her beautiful frenemy Bethany, her mates from the private school up the road (called Haddock, Battered Sausage, and Fig) and the handsome, unattainable boys Rae pines after (who sometimes end up with Bethany . . .), My MadFat Diary is the story of an overweight young woman just hoping to be loved at a time when slim pop singers ruled the charts. Rae's chronicle of her world will strike a chord with anyone who's ever been a confused, lonely teenager clashing with her parents, sometimes overeating, hating her body, always taking herself VERY seriously, never knowing how positively brilliant she is, and keeping a diary to record it all. My Mad Fat Diary--365 days with one of the wisest and funniest girls in England --.
