FOUR POTENTIAL GRAVITATION AND ITS QUANTIZATION

Four Potential
Gravitation and
its Quantization

Dr. Hartwig Poth

Book Condition: New. Publisher/Verlag: epubli | The gravitation potential is considered as a four potential like the electromagnetic one. | The gravitation potential is considered as a four potential like the electromagnetic four potential. The new source term is the four rest mass current density like the four electrical charge current density in the electromagnetic theory. That yields essentially the same results as the former scalar theory from the same author. The Mercury perihelion like some other effects known from...
