A time when the whipping of slaves was expected, the rape of slave women common and murder was used as a tool to control.Includes interviews with male and female ex-slaves who lived and documented their experiences during this period and who either witnessed or were themselves subjected to unimaginable cruelty, mistreatment and torture at the hands of their masters, overseers and patrollers. These vivid and sometimes graphic recollections by the ex-slaves themselves transport the reader back to the days when slave lives were inseparably bound to those of their masters.Mistreatment at the hands of their masters and the watchdog overseers was not always the exception but for some was a daily part of slave lives, including the mistreatment of slave children. The barbarous treatment some received is beyond equal, for a mother, father, daughter or son being forced to watch a relative being beaten, whipped or tortured, sometimes to death, is beyond our comprehension.This is American Slave History as told by those that lived through it, the ex-slaves themselves.
