Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Open City (Main), Teju Cole, This is the bestselling debut novel from a writer heralded as the twenty-first-century W. G. Sebald. A haunting novel about national identity, race, liberty, loss and surrender, Open City follows a young Nigerian doctor as he wanders aimlessly along the streets of Manhattan. For Julius the walks are a release from the tight regulations of work, from the emotional fallout of a failed relationship, from lives past and present on either side of the Atlantic. Isolated amid crowds of bustling strangers, Julius criss-crosses not just physical landscapes but social boundaries too, encountering people whose otherness sheds light on his own remarkable journey from Nigeria to New York - as well as into the most unrecognisable facets of his own soul.
