THE FUTURE HISTORY OF THE ARCTIC

PublicAffairs. 1 Cloth(s), 2010. hard. Book Condition: New. Long at the margins of global affairs, the Arctic has become emblematic of some of the most pressing challenges that the world faces in the 21st century, suggests Charles Emmerson, citing energy security, climate change, and competition for natural resources as examples. In addition to weaving together the history of this vast, complex region with his own reportage and reflections, Emmerson introduces the players in politics, business, science, and society who are...
