Brand New Book ***** Print on Demand *****.In the spring of 2005, national attention was drawn to a series of court and legislative actions regarding the withdrawal of nutrition and hydration from a Florida patient, Theresa Schiavo, who had suffered severe brain damage. For a summary of r e l e v a n t factual and legal events surrounding this case, see [// and CRS Report RL32830, The Schiavo Case: Legal Issues. This case brought new scrutiny to the right to die issue. Although the popular term right to die has been used as a label to describe the current political debate over end-of-life decisions, the underlying issues include a variety of legal concepts, including, suicide, passive euthanasia (allowing a person to die by refusal or withdrawal of medical intervention), assisted suicide (providing a person the means of committing suicide), active euthanasia (killing another), and palliative care (providing comfort care which accelerates the death process). Exercising one or another of these rights to die may have drastically different legal consequences: some currently have no legal consequence, some are a violation of common-law, some are a violation of statute, some may have contractual consequences, some may result in an action such as civil confinement, some are currently .
