## The Schernoff Discoveries (Paperback)

By Gary Paulsen

Bantam Doubleday Dell Publishing Group Inc, United States, 1999. Paperback. Book Condition: New. 196 x 127 mm. Language: English . Brand New Book. Harold Schernoff, 14-year-old science whiz and social nerd, has a theory for every problem, from dating, to bullies, to making money, to sports, to how to buy a car when you're underage. When he and his buddy team up to put his theories to the test, nothing goes according to plan. A ski lesson becomes:  $\text{Mass} \times \text{Acceleration} \times \text{Slope of hill} = \text{eeeAAGGHHH}$ . As for first dates, only Harold could mastermind such disaster. Only Harold could go fishing and get caught by the fish. And only Gary Paulsen could write such a wonderfully funny story of friendship.
