This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

To some Western evangelicals, the practices of Eastern Orthodoxy seem mysterious and perhaps even unbiblical. Then again, from an Orthodox perspective, evangelicals lack the spiritual roots provided by centuries-old church traditions. Are the differences between these two branches of Christianity so sharp that to shake hands is to compromise the gospel itself? Or is there room for agreement? Are Eastern Orthodoxy and evangelicalism at all compatible? Yes, no, maybe---this book allows five leading authorities to present their different views, have them critiqued by their fellow authors, and respond to the critiques. Writing from an Orthodox perspective with a strong appreciation for evangelicalism, Bradley Nassif makes a case for compatibility. Michael Horton and Vladimir Berzonsky take the opposite stance from their respective evangelical and Orthodox backgrounds. And George Hancock-Stefan (evangelical) and Edward Rommen (Orthodox) each offer a qualified 'perhaps.' The interactive Counterpoints forum is ideal for comparing and contrasting the different positions to understand the strengths and weaknesses of these two important branches of Christianity and to form a personal conclusion regarding their compatibility. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.
